**WELCOME
TO
FRESH
START
21 DAYS OF PRAYER**

This year we are introducing 21 Days of Prayer as our maiden spiritual activity in our year of Increase. It is part of our January focus on a Fresh Start and is intended to help every member start the year right.

Prayer has been an integral part of our lives as ICGC since we began our church in the tiny classroom at the Kanda Cluster of Schools. As we all participate in this spiritual activity, I am trusting that the Lord will stir you up in faith to stand fervently in prayer.

Throughout the 21 days, our prayer will focus primarily on spiritual growth goals, personal goals, family goals, the church and the nation. Our daily prayer points touch on these areas and provide us with a focus for prayer.

21 Days of Prayer starts on Monday 10th January and runs through till Sunday 30th January. There will be series of meetings organised for both in-person and online prayer throughout the period. I urge you to spend time each day in prayer for increase in all areas of your life.

This prayer guide has been carefully prepared to allow us to pray together in the same direction as we join our hearts together in this spiritual experience. Every day has a prayer focus and a guiding scripture. There will be three daily prayer points circulated on all our digital media platforms at specific times focusing on different aspects of our lives.

Some helpful tips on prayer have been shared to help you on this journey.

It is my prayer that this guide will help you derive the full benefits from the period of prayer. I hope it will help you to build a vital discipline of daily prayer and devotion throughout the year.

May God hear and answer your prayers as we embark on this journey together.

Shalom!
